

Work For Us!

JOB DESCRIPTION

USA Summer Camp has been successfully sending thousands of applicants to America since 2007. We rely on our National Support Team to help grow our brand and give applicants the interview and support they require to start their customer journey to the USA.

In this role, you play a key part in their experience and really assist in making their application stand out whilst assessing their suitability for the program. If you are passionate about camp and looking for a flexible and exciting job, then this could be perfect for you! To apply, you simply need to complete the application and task attached.

KEY BENEFITS

- Flexible job role that can fit around your schedule
- £10 per Online Video Interview / £15 per Face-to-Face Interview
- Talk about camp all year long!
- Training in September

RESPONSIBILITIES

- Once you are assigned a participant, we have set deadlines where you need to contact applicant and conduct their profile review
- Write a report on the candidates' suitability and skills to further sell their application to camps
- You'll become a member of our Global Team and be a Brand Ambassador
- Share your excitement and passion for camp, promoting USA Summer Camp online and in your local area
- Communicate regularly with USASC
- Opportunity to feature on our social media and website by submitting blogs/photos which you can add to your CV or portfolio
